Office of the Chairman

NOTE FOR: CIPC Members and Observers
Chairman, Narcotics Working Group

FROM:

[REDACTED]

SUBJECT: CIPC Meeting of 26 September

1. The CIPC meeting scheduled for 1000 hours, 26 September, to review and discuss the Narcotics Report has been cancelled.

2. This action was necessitated because several working group members needed additional time--at least a week--to review and comment on the draft Narcotics Report. By accommodating this request there is insufficient time available for the respective committee members to prepare for the 26 September meeting.

3. We will reschedule this meeting for early October. As soon as a specific date is determined I will let you know.

4. If I can be of further assistance, please let me know.
